

G Suite Resources Teacher Guide

Cloud Platform - Maths/Science

- G Suite - Teacher Slides
- G Suite - Google Doc Worksheet
- G Suite - Auto marking Google Form

Activities

KS2 Literacy
Year groups 3-4
Tips for Life in Space

SPACE adventures
Vlog 2 - In Space

On some of the parts, you'll notice some additional G Suite activities on the left hand side. These activities are often similar to the resources available for Maths and Science, but in a format that makes them easy to use if you are using G Suite in your school.

Teacher Slides

These are links that prompt you to make a copy of the Google Slides in your own Google Drive for ease of use

Google Doc Worksheet

These will prompt you to post a Google Doc version of the Maths/Science content to your Google Classroom as an assignment. These are designed to be completely accessed from a Chromebook/PC/Mac with no additional need for paper.

Auto Marking Google Form

These resources complement the worksheets and allow students to get instant feedback on their answers. Clicking on these links will prompt you to post the form as a Google Classroom assignment

GoFormative Tasks

These are tasks that are built using the third party tool [goformative.com](https://www.goformative.com). You can sign in with any email address, and choose to run these activities with students on any device and there is no need for them to sign up or sign in, they can simply enter a code.
